Dear Mr. Armstrong:

I have also been informed by my client that you have additional photographs, transparencies and documentation acquired by you concerning LHM or the Church while in the employ of my client that you have previously failed to turn over to my client who is the rightful owner of same, and that are presently in your possession.

Demand is hereby made for immediate delivery of those aforementioned materials from you to my client on or before Thursday, June 3, 1982, at the offices of Trabish & Peterson, 1676 Admiralty Way, Marina Del Rey, California. Failure to deliver same as hereby demanded will result in the immediate enforcement of any and all rights and remedies available to my client through the judicial system.

Very truly yours,

John O. Peterson
